Energy Management Certificate ISO 50001

The ISO 50001 certification was awarded to Vassiliko Cement Works for the Energy Management System, during the Annual Quality Event, held in Nicosia, on February 23, 2016. The event was held at Hilton Park Hotel, under the auspices of the President of the Republic of Cyprus, Nicos Anastasiades. The Minister of Finance, Harris Georgiades presented the certification to the Company's Energy Management Director, Andreas Panagi.

Vassiliko Cement Works is one of the first companies in Cyprus to have adopted and be certified with the Energy Management Standard ISO 50001. The Company's policy aims at continuously reducing the use of energy, with the implementation of the best practices, fully complying with the relevant legislation.

Vassiliko Cement Works aims to constantly improve the use of energy resources in its facilities, taking into consideration technological innovations and through optimizing the design of production process and facilities.
