“Gold Environmental Protector Award” for 2018
granted to Vassiliko Cement Works

Vassiliko Cement Works announces its honorary distinction of being awarded the **Gold Environmental Protector Award** by the *Pancyprian Environmental Awards for Organizations and Businesses for 2018*. The award regards environmental actions and activities within and outside the facilities. The company's personnel in cooperation with the interested parties, such as the communities, the NGOs and other organizations participated in the actions. The main purpose was synergy and sensitization of everyone for a better future.

Vassiliko Cement Works has pledged to respect and protect the environment, with the main aim to minimize its environmental footprint and the negative impact deriving from its activities on the environment. The environmental policy is applied and is constantly followed at the plant premises, supported by the appropriate management practices.

The evaluation of the Pancyprian Environmental Awards for Organizations and Businesses for 2018 was carried out in the presence of the Environment Commissioner and representatives from the affiliated bodies. The award granting will be held during an official ceremony at the Presidential Palace, by his Excellency, the President of the Republic of Cyprus, Mr. Nicos Anastasiadis.

Thee company fully complies with the legislation for environmental protection and the requirements of standard ISO 14001:2004 and bases its activities on the correct use of its resources and on the preservation of a clean environment.
