## PRESS RELEASE

### **Vassiliko Cement Works contributes to the creation of a multiple use and sport games room at “Saint Lazarus” Center for persons with disabilities**

Representatives from Vassiliko Cement Works attended the official opening ceremony of the multiple use and sport games room at 'St.Lazarus" Center for persons with disabilities, on March 21, 2019. The new room was inaugurated by the Minister of Labour, Welfare & Social Insurance, Zeta Emilianidou.

Vassiliko Cement Works, as one of the center's supporters, offered cement for the construction of the new room the Company will also help in better preparing the Center's team of athletes who perform Olympic sports in the category of Paralympics. During the event, the project's sponsors and supporters were honoured and attended the presentation of athletic and dance creations.

The “Saint Lazarus” Center is a non-governmental, non-profit charitable organization, offering services to 83 adults with intellectual disabilities, from the city and district of Larnaca. The Center runs programs that are based on the values and principles governing all humanitarian and social sciences involved with persons with disabilities in general and with mental retardedness in particular.

Aiming at social inclusion and acceptance of persons with special needs in society, Vassiliko Cement Works supports such efforts and helps to upgrade such projects for a better life.
