Volunteerism Week for Vassiliko Cement Works

PRESS RELEASE

Vassiliko Cement Works actively participated in the volunteerism week (1-8 December 2019) through various actions taken by the Company's team of volunteers.

Volunteerism constitutes a key pillar of Vassiliko Cement Corporate Social Responsibility Policy and the Company's social contribution is evidenced by the following actions:

- Monday, December 2: Participation in the program: "I cook, I offer" by Sophia Foundation for Children, with meal preparation and serving at Choirokitia Elementary School. Moreover, the Company had sponsored the kitchen equipment and actively participates by sponsoring the operating costs. The program regards meal donation to all children at all-day elementary schools in Cyprus.
- Tuesday, December 3: Visit to Vassiliko Cement Works facilities by the Commissioner for Volunteerism and NGOs, Mr. Yiannis Yiannakis, was informed about the Company's actions, exchanging views and ideas with the volunteers' team members. The visit ended with a get-to-know meal with the Company's volunteers' team.
- Wednesday, December 4: Visit to Theotokos Foundation Workshop, in Limassol, to support and prepare Christmas art creations, together with the workshop's team. The 'Art Workshop' is a new facility offering a dynamic and creative support to art, across all age groups, from kindergarten children to upper secondary education students. The educational planning is tailored to hospitality of people with special needs, not being restricted thereto.
- Thursday, December 5: Intra-company sampling for the registration of volunteer bone marrow donors for Karaiskakio Foundation. The Company participated in the campaign 2019-2020 'Together from A-Z', spreading HOPE to leukemia patients.

In addition to the above actions, Vassiliko Cement Works organized an intra-company 5-day 'bazaar of second-hand books' for employees, in order to raise funds for a charity purpose.

Social sensitization and the participation of employees in volunteer groups is one of the Company's long-standing goals. Its primary objectives involve education and imparting of information on the benefits resulting from the volunteer actions to the broader society and the upgrading of everyone's quality of life.
